

cargolux group

you name it, we fly it!

CV select

CV select +

CV select and **CV select+** are two exciting additions to Cargolux's extensive product portfolio. They complement and enhance capabilities, presenting you with a number of unique advantages that can be combined with any of our eight core products.

CV select features preferred access to premium capacity combined with our long-standing expertise and detailed attention to the specificities of different commodities.

In addition, **CV select+** offers vastly reduced cut off time up to 30 minutes prior to scheduled flight departure.

CV select and **CV select+** offer you the perfect solution for all your urgent shipments.

With both we guarantee full, optimal airport-to-airport service and real-time track and trace updates.

CV select

CV select meets the needs of air cargo shipments requiring premium commitment. Your shipment needs to move urgently and requires fast access to air freight capacity?

CV select is the solution.

Enhance each of our 8 core products with the exclusive **CV select features*** :

- Guaranteed access to capacity
- Priority space on the aircraft
- Fly as booked confirmation
- Airport to airport service
- Real time status update (track and trace)

CV select+

CV select+ takes the CV select engagement to yet a higher service level. Your shipment requires premium commitment, guaranteed access to capacity and reduced cut-off time?

CV select+ is the solution.

Enhance each of our 8 core products with the exclusive **CV select+ features*** :

- Guaranteed access to capacity
- Priority space on the aircraft
- Fly as booked confirmation
- Airport to airport service
- Real time status update (track and trace)
- **Reduced cut-off time up to 30 minutes**
